

Snap Caps

Snap Caps have a variety of uses around the bench. It is generally accepted that one shouldn't drop the firing pin on an empty chamber - which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal. Whatever your needs, Snap Caps are handy and inexpensive.

Gun Cleaning Picks / #549-864

Here's a clever idea that belongs in every cleaning kit - Gun-Cleaning Picks. This set of four picks with different configurations on each end provide eight different combinations to get into those tight, hard to reach places. Made of high-strength polymer so they won't scratch the finest surface. Set of four picks. **Case Pack of 6.**

- Handy tools offered only by Tipton
- Helps you reach the most important, tightest spots in your firearms
- Made of a high-strength polymer that won't scratch your gun
- Set of 4 Picks, each has a different shaped tool at each end

Pipettes, 6", 12 qty. / #146-527

All-plastic, disposable "eye droppers" are just the ticket for measuring and transferring liquid products. Great for cold bluing solutions, cutting oils, solvents, preservatives, etc. Two lengths, 3-1/2" and 6" lengths match the job at hand. Put the product just where you want it. Available in quantities of 2 and 12. **Case Pack of 6.**

Gun Bright / #439-502

Scrub off grease, grime, and rust without damaging your firearm. Amazing, all stainless steel pad is tough on rust, but gentle on bluing. Used with a penetrating oil and a gentle touch, the Gun Bright Pad is capable of sweeping away surface rust from your firearms while leaving any remaining original bluing intact. Adding a tuft to a shotgun brush quickly scours plastic and powder fouling out of your barrel. Great for removing carbon deposits and other stubborn buildups.

Case Pack of 6.
